Rentals

We now rent a small shot blasting system made by Blastrac. The Blastrac 1-9DEZ is 120 volt, portable and lightweight unit ideal for concrete preparation. 1-9DEZ runs a 9" blast pattern and can do up to 275 square foot an hour. 1-9DEZ works great for residential garage floors, pool decks, decorative concrete overlays, concrete preparation prior to wood floor installation, small industrial floors, and is a great complementary unit for larger jobs. Please contact the Rental Counter for any other questions and for rental rates.

Superior Hearth, Spas & Leisure

We now stock pool chemicals in our Avon store. We also now carry the Jonal® line of outdoor masonry wood burning fireplaces www.jonalsdistribution.com, The Outdoor Greatroom® Cape Cod Pergola www.outdoorrooms.com and Nordic® Crown XL high powered large round hot tub in our spas and outdoor living departments.

New to our hearth inventory is Quadra-Fire® Edge 60 Pellet Fireplace. The Edge is the first ever pellet-fireplace to hit the market and it is currently the only one of its type in the world! It is a powerful, high performance fireplace specifically designed for supplemental home heating. This unit incorporates a unique / advanced energy technology.

Our locations now also carry our own private label of Premium Hardwood Pellets. The pellets are manufactured by PA Pellets located in Pennsylvania. This is the same high quality brand of pellets we carried for the last few years.
