

Heat Things Up...

This season, switch to Energy Resource by Superior, LLC (ERS) as your supplier of Propane for your pool heating and other appliances, and you will receive a FREE pool heater cleaning and pool heater start-up... a \$99 value!*

Our technicians are trained and certified to repair and service all the major brands of pool heaters- Raypak, Pentair/Starite, Jandy, and Hayward... as well as most of your other gas appliances.

Switching is easy! We do all the work for you. We notify your old propane company to remove their old tanks, ERS installs BRAND NEW TANKS and our technicians inspect your LP system to ensure your family's safety. We can even provide service or repairs at the same time.
